CLASS 9: Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electric current; apparatus and instruments for conveying, distributing, transforming, storing, regulating or controlling electric current; measuring, sensing, monitoring and control apparatus, namely, electronic multi-function device featuring electronic gauges, switches, transmitters and data loggers for measuring pressure, temperature, differential pressure, differential temperature, vacuum, level, flow, humidity, and gas sensing; measuring instruments in the nature of instruments for measuring pressure, temperature, differential pressure, differential temperature, vacuum, level, flow, humidity, and gas sensing; pressure gauges; switches in the nature of electrical switches; wireless transmitters and receivers; electrical cables, plastic conduits for electrical use and electrical wires; converters in the nature of electric converters; power controllers; electrical safety switches in the nature of circuit breakers; shock calibration equipment, namely, computer component testing and calibrating equipment; computers; recorded and downloadable computer software, recorded and downloadable software packages, recorded and downloadable software applications, and recorded and downloadable mobile applications using artificial intelligence for measuring pressure, temperature, differential pressure, differential temperature, vacuum, level, flow, humidity, and gas sensing in measuring instruments; electronic data loggers; Internet of Things electronic sensors; Internet of Things gateway routers; recorded and downloadable computer application software for use in implementing the Internet of Things; organic light emitting diodes (OLED); and replacement parts and fittings for the aforementioned goods

The color(s) black, gray, yellow and red is/are claimed as a feature of the mark.

PRIORITY CLAIMED UNDER SEC. 44(D) ON EUROPEAN UNION APPLICATION NO. 018647230, FILED 02-02-2022, REG. NO. 018647230, DATED 06-24-2022, EXPIRES 02-02-2032

The mark consists of the word "OGAUGE" in a black, stylized font, with a red horizontal line below it. To the left of the word is a gray circular image, with a black interior and a yellow elliptical design with a thin yellow border, and a thick, black line
